

CITY SCHOOL TO OPEN ON SEPTEMBER 5

Enrollment To Begin On Saturday Morning, September 3.

FOUR NEW MEMBERS

George Terry Comes From Olton To Be Principal of High School.

Canyon Public Schools will open for the 1932-33 session, Monday, September 5, according to an announcement made this week by Supt. Irbey Carruth. Enrollment for the high school and for the fifth, sixth and seventh grades in the elementary school will be held on Saturday, September 3. High school juniors and seniors are asked to present themselves Saturday morning and the freshmen and sophomores Saturday afternoon. All children below the fifth grade will enroll the following Monday morning.

The public schools will have an unusually well trained, well balanced faculty this coming term, and will be composed largely of teachers who have been in the system for a number of years. There will be only four new teachers in the high school faculty. George Terry, B. A., of Southern Methodist University, will be principal of the high school. Other new teachers are, L. T. Barksdale, B. A., of Baylor University, Miss Fannie Sue Brasuel, B. A., and Mrs. Cleatice Crump, B. A., both of the West Texas State Teachers College. Mr. Terry, who has been serving as principal of the Olton high school for the last five years, comes to Canyon with an enviable record behind him. He has had wide experience in administrative education and is now finishing the work for a master's degree at the State University.

Mr. Barksdale, who will take the position of coach, comes from Floydada where he has spent two very successful years in the public schools of that place. He will teach mathematics, coach athletics and have charge of the physical educational activities in the schools. He is recognized as an outstanding teacher as well as a coach.

Miss Brasuel has accepted the position as head of the Home Economics department. She is a graduate of W. T. and is working toward a master's degree in the College of Industrial Arts at Denton, Texas, this summer. Reports from C. I. A. state that Miss Brasuel is doing outstanding work in the field of home economics, and hence, is well trained for her position here.

Mrs. Crump will have charge of the speech work and dramatics in both schools. Mrs. Crump is a speech major and has had successful experience in teaching this work in both the Hereford and Canadian public schools. The school administration feels that Mrs. Crump will be a valuable addition to the speech department and urges all patrons who are interested to see her for schedules during the day of enrollment.

"Indications at the present time," said Mr. Carruth, "point to an average enrollment for the coming session. The school authorities solicit the same earnest support from the patrons that has been shown in the past." If this is forthcoming, the Canyon Public Schools will add another year's achievement to its worthy record.

Absentee Votes May Be Cast Up to Aug. 23rd With Clerk

Twenty-one absentee votes had been cast at the office of County Clerk Berl E. Mayfield yesterday. Requests had been filed for at least that many more ballots, which will be returned by mail.

Voters may cast absentee ballots up to August 23rd. Those who will not be in Randall county on August 27th to vote in person should either go to the clerk's office and vote on or before next Tuesday, or have a ballot mailed to them for the purpose of voting out of the county before that date.

G. A. F. Parker, I. S. Ireland, C. F. Kerr and Roy Arnold of Hereford heard Governor Sterling speak here Monday morning.

J. O. Guleke Will Speak Saturday p. m. for the Governor

Hon. J. O. Guleke of Amarillo, member of the State Board of Education, will speak here Saturday night at 8:00 o'clock at the band stand in the interest of the re-election of Governor R. S. Sterling.

The Buffalo Band will play its final concert of the summer at the band stand from 7:00 to 8:00, and Mr. Guleke will speak immediately following.

Mr. Guleke is one of the outstanding orators of the Panhandle, and will have an interesting message to bring to the voters of the county on the issues involved in the present campaign.

Mrs. G. W. Avent Died Yesterday—Funeral 5 Today

Mrs. G. W. Avent died yesterday afternoon at 4:00 o'clock at the family home on Fourth Avenue, after an illness of several weeks. The funeral services will be held this afternoon at the Methodist church, conducted by Rev. C. E. Jameson, pastor. Mrs. Avent has been a faithful member of this church for many years, and was a regular attendant until her health began to fail. The pall bearers will be R. O. Allison, John Guthrie, J. W. Shook, W. L. Vaughan, E. L. Prichard and Scott Laycock. The Griggs-Thompson Funeral Home will be in charge of the services.

Mrs. Avent was born in Mississippi on June 7, 1853, being 79 years, 2 months and 10 days of age at the time of her death. The family has been citizens of Canyon for several years. Surviving the deceased there remains the husband, G. W. Avent, and eight children, Mrs. M. M. Kornegay of Dallas; J. T. Avent of Tulsa; Miss Maggie Avent of Canyon; Mrs. W. P. Watson of Jonesboro; Mrs. Luther Smith of Jonesboro; Mrs. Jewell Davis of Amarillo; Mrs. Tom Lair of Canyon; Lavett Avent of Canyon.

U. S. Forestry Expert Speaks Here Tuesday

Citizens of Canyon and the College were favored with an unusual lecture Tuesday afternoon when J. N. Wheeler, official speaker of the United States Forestry Service, gave a talk on "The Lure of the Forest" in the auditorium of the education building beginning at 3:30 o'clock. While Mr. Wheeler's visit to Canyon was, in the nature of a surprise engagement, more than 500 residents of the city and W. T. assembled in the auditorium to hear his most interesting address.

Mr. Wheeler divided his talk into four parts, illustrating each with beautifully colored slides. He spoke on the economic value of forests, the esthetic value, the recreational value and the value as a conservatory for animal and bird life. He made a plea for the conservation of the forested areas in the United States and told of methods of forestation of areas where trees are not native to the country or where the natural forests have been depleted.

Company F Will Start for Home Next Saturday

Camp Hulen, Palacios, Texas.—Good food, cool weather and the absence of mosquitoes featured the encampment here until Saturday night, August 13, at which time the weatherman put on a parade of his own, one seldom seen by Company "F" of Canyon, or West Texans generally.

Upon radio reports of a storm, the order was received by Company "F" to strike tents and move all property into the mess hall. This order was executed in a driving rain, slightly after dark. After all property was moved in, the men were huddled into the mess hall and held for further orders. The storm lasted about six hours, during which time twelve inches of rain fell.

The men showed little restlessness during the storm and all slept who could find room. The camp site is four feet above sea level and has been known to stand ten feet under water.

Company "F" will entrain Saturday morning and without unexpected delay will reach Canyon about eight o'clock Sunday morning.

District Court is Closing Term Session

Small Amount of Business Transacted Past Week

Little business has been transacted in District Court the past week. The term will come to an end Saturday night, but it is expected that new cases will be tried before the term is ended. Judge Henry S. Bishop stated yesterday that he had hoped to clean up the docket this term, but many cases set for this week were continued for various reasons.

The grand jury had returned fifteen indictments before the session yesterday.

Ernest Jennings Shearer, charged with wife desertion, was ordered to pay \$40 per month toward the support of his wife and three children.

Harry McKnight, a negro, indicted last week for attempting to pass stolen travelers checks, was found guilty in a jury trial and given a three year suspended sentence.

In the case Q. V. Conner vs. Emma Charles, verdict was given to the plaintiff.

In the case Clyde McElroy vs. W. B. Campbell, the plaintiff won a judgment against the defendant. The case against Haskell Allard, indicted under the charge of robbery with fire arms, was transferred to Potter County owing to the fact that all of the witnesses and the attorneys live in Amarillo.

The grand jury is still in session, but hopes to conclude its work today. No bills were returned yesterday.

State Board of Education Goes Over the Budgets

Dr. J. A. Hill and Dean R. P. Jarrett returned Saturday from Austin where they appeared before the State Board of Education on Thursday in regard to the budget for W. T. for the coming two years.

Dr. Hill states that the Education Board is making a very close study of all the institutions of Texas with a view to eliminating all courses of study which are absolutely unnecessary, and so far as possible to avoid duplication among the colleges of the state. The meeting last week was a preliminary one, with another to be held in the near future to further study the state's needs.

ADJUDGED INSANE.
J. W. Jones, 73 years of age, was adjudged insane in Judge S. B. Orton's court Thursday and was taken to the hospital at Wichita Falls by A. C. Donnell Saturday. He is a farmer living in the south part of the county.

Plans Made For Pattern School on August 22-23

Plans are practically complete for the Foundation Pattern School which is to be held here August 22 and 23 under the direction of Mrs. Dora R. Barnes, extension specialist in clothing from A. & M. College. The sessions are to be held on the third floor of the Administration building at the College, according to an announcement made yesterday by Miss Sadie Kate Bass, home demonstration agent, and will be open to one representative from each of the demonstration clubs in the county.

During the school the women will study the planning of the wardrobe and on Tuesday afternoon at 3 o'clock will hold an open session for visitors at which time they will display the wardrobe as planned under the direction of Mrs. Barnes.

This is the first school from the extension department to be held in Randall County as the office of Home Demonstrator was created only July 1st. It promises to be a great success as the club women are exceedingly interested in wardrobe planning and all phases of demonstration work.

WORKING IN INTEREST JUDGE J. E. HICKMAN

Judge W. P. Leslie and Cyrus D. Frost of Eastland were in the city Tuesday in the interest of Judge J. E. Hickman, who is a candidate for Associate Justice of the Supreme Court. Judge Hickman was the leader in Randall county in the first primary, receiving almost as many votes as his two opponents.

Judge Leslie is an associate of Judge Hickman on the Court of Civil Appeals at Eastland, and states that encouraging reports are being received from all over the states as to Judge Hickman's campaign for August 27th.

SPOKE HERE MONDAY FOR MRS. FERGUSON

Jim Hair, San Antonio attorney, spoke here Monday afternoon at the district court room for Mrs. Miriam Ferguson, candidate for Governor. Mr. Hair outlined the Ferguson program, as compared with the accomplishments of Dan Moody and Governor Sterling. He claims that the supporters of Tom Hunter, third in the first primary, will go largely to Mrs. Ferguson in the second primary.

A. S. Rollins of Dallas is visiting at the home of his sister, Mrs. H. H. Gillham.

W. J. Wooten is in Dallas this week on business.

Only One Box in Precinct 1 For August Primary

A. M. Smith, County Chairman of the Democratic County Executive Committee, announced yesterday that only one voting box would be opened in precinct No. 1 for the primary on August 27th. The voting place will be at the court house, with Hud Prichard as judge of the election.

Mr. Smith stated that owing to the short ballot in the coming primary, the committee would be able to save \$40 by having only one box. In the July primary 1275 votes were cast in the four boxes. Mr. Prichard believes that the election crew at the court house will be able to count all of the ballots in the coming primary by at least 10:00 o'clock at night.

Savage Completes Plans for Annual Teachers Institute

Conductor F. E. Savage states that plans are virtually made for the Panhandle-Plains Counties Institute which will be held here September 1, 2, and 3.

Ten counties and a large number of independent districts will participate in the institute.

An unusual fine array of speakers have been secured for the program. Josh Lee of Oklahoma City will speak at the opening afternoon and night. Lee has spoken at institutes here before and is very popular.

United States Congressman, Marvin Jones, and State Senator C. C. Small will discuss problems of government before the general assembly.

A. L. Woods, State Superintendent elect of Texas, has been secured for an address.

J. R. Grant, president of the Russellville, Arkansas College, will have charge of the Intermediate section programs. Mr. Grant has been secured for a place on the State Teachers Association program at Ft. Worth, this fall.

Miss Ima Kirkendall, primary supervisor of the Ft. Worth public schools, is expected to have charge of the primary section, although this arrangement is not complete. Dr. J. A. Hill will represent the State Teachers Association on the program.

The executive committee of the institute has reduced the fee for teachers attending from \$1.50 to \$1.00 for this year.

The institute will close at noon Saturday, September 3rd.

HALEY TO DENVER.

Mr. and Mrs. J. Everts Haley and son left Tuesday for Denver where he will do research work on the book he is writing on the life of Colonel Charles C. Goodnight. They have been here for the past month working on the material in the museum of the Panhandle-Plains Historical Society. Mr. Haley expects to publish his book during the coming year.

Governor Sterling Spoke Here Monday

Election Returns Will Be Compiled at the News Office

The returns from the primary election on August 27th will be compiled at the News office as has been the custom for many years. The News represents the Texas Election Bureau in Randall county and will send the returns as compiled from the various precincts of the county and wire them to headquarters in Dallas. Bulletins will be received from Dallas at intervals of 30 to 45 minutes up to 11:30 o'clock.

Election judges are urged to report the vote in their precincts promptly election night, as the results will be awaited with interest by hundreds who will be waiting at the News office to receive the returns.

College Farm Is Subject Discussed Tuesday at Rotary

T. M. Moore, agriculture teacher in the College, talked Tuesday at the Rotary Club luncheon on the organization and activities conducted at the College Farm, one mile north of the College. The program was in charge of the Membership Committee, J. Wesley Kleinschmidt, chairman.

The club will have a picnic supper tonight at the Warwick home, honoring the Rotary Ann.

Visitors present Tuesday were Dan Hunsaker, J. J. Sanders and H. B. Fain of Amarillo, and T. M. Moore of Canyon.

Mr. Moore called attention to the history of the old T-Anchor ranch, the headquarters of which is now state property and is known as the College Farm. The old log house was started in 1877, erected by a brother-in-law of the late Colonel C. C. Goodnight. The large barn was constructed from the remains of the old shacks, erected after the first administration building was destroyed by fire.

In the five years since the College acquired the farm, great improvements have been made. There are four objectives for the farm:

1. As a laboratory. The \$13,000 original investment and the \$7,000 improvements have made possible a laboratory for 150 actual or prospective teachers from the rural schools and communities. In addition to this the Chemistry department has a \$10,000 experiment station for the Dupont Paint Company, the third largest of their ten such plants in the United States. The Biology and History departments use the T-Anchor for experiment purposes. In addition the place is of value to the students as a recreation park.

2. There is no milk ordinance in Canyon, and the dairy at the farm provides safe milk for the dormitories and cafeteria. The dairy herd has been accredited for eight (Continued on last page)

HILL WILL SPEAK AT BAYLOR AND SAN MARCOS

Dr. J. A. Hill left Tuesday for Waco where he delivered the commencement address of Baylor University yesterday afternoon at 5:00 o'clock.

Dr. Hill is speaking today at San Marcos in the interest of the Texas State Teachers Association of which organization he is president.

Commencement at the College August 24th

78 Will Receive Degrees at Closing Exercises—Hill Speaks

Graduation ceremonies for the summer quarter will be held Wednesday, August 24, at 10 o'clock with Dr. J. A. Hill delivering the commencement address. President Hill has chosen for his subject, "This Rising Tide of Freedom."

Seventy-eight young men and young women will receive the Bachelor of Arts degree at this time and there will be a small

Large Crowd Greeted the Governor at 8:30 a. m. Here

Governor R. S. Sterling spoke at the court house Monday morning at 8:30 o'clock in the interest of his re-election as chief executive in the primary on August 27th. A change in schedule made Saturday afternoon made it possible for him to come here Monday morning, making a speaking engagement in a day's full schedule of eight speeches.

Clyde W. Warwick presided at the meeting, calling attention to the voters to the fact that Governor Sterling sponsors a program for the state to pay off the \$285,000 highway bonds of this county, which will reduce the taxes in Randall county from \$1.15 per \$100 valuation to 75 cents, or a reduction of more than one-fourth. No other Governor has ever done so much for the taxpayers of Randall county. Mr. Warwick introduced Senator Bob Stuart of Fort Worth, who was a student in W. T. several years ago, and is well known to many people in Canyon.

Senator Stuart called attention to the fact that Jim Ferguson was the only governor ever impeached in Texas. The voters gave him a chance to redeem the Ferguson name by electing "Ma", and it was under this administration that the highway situation became so bad in Texas that federal aid was withdrawn, and was not renewed until R. S. Sterling was appointed chairman of the State Highway Commission and straightened out the muddle.

Governor Sterling has been the friend of the poor man. His program of paying off the highway bonds out of the gasoline tax means as much as \$22.50 per family. His plan of exempting homesteads from the state ad valorem tax and reduction of appropriations, means the saving of another \$22.50. The Governor has advocated the shifting of the tax burden from the shoulders of the poor people to those of the wealthy corporations. All of this is opposed by Jim Ferguson.

Governor Sterling gave an account of his administration, both as chairman of the State Highway Commission and as Governor of the State. Four years ago he advocated that no more county bonds be voted for highway purposes and that the state build the state highways. He refuted the charges of Ferguson that the present Commission had stolen one hundred million dollars from the road funds, and cited the audit of the State Auditor in showing Ferguson's statement to be absolutely false.

It was through the recommendations of Governor Sterling that investigation was started in the clerks' and sheriffs' fees which was saving the state \$59,000 per month. Two clerks have committed suicide and eight sheriffs have received penitentiary sentences as a result of the investigation started by the Governor.

The penitentiary system has been re-organized and is saving from \$500,000 to \$7,000,000 per year thru business methods introduced in the system. The morale of the prisoners has improved by better food and improved conditions in the new unit. The Governor denied Ferguson's statement in comparisons with his pardon record and that of the Fergusons. Sterling (Continued on last page)

PROHIBITION AGAIN

Anti-prohibitionists have been telling us what a fine scheme Canada has in handling the liquor problem, with the state controlling the sale. Yet, A. B. Mayhew, president of the Board of Regents of Teachers Colleges, just returning from Canada, states that Canadians recognize the fact that the bootlegger problem in Canada is the same as the problem of the United States. Bootleggers thrive in Canada.

The statement of the News last week regarding bootlegging in Canyon has been brought to question, and we are asked to name the parties. Since we do not patronize the bootleggers, nor drink their damnable stuff, we have no names to call, except the names which are usually called by all citizens of Canyon. If this gang wish to acknowledge the fact that they are in the illegal business, let them come forth and proclaim it. Furthermore, the statements published last week were not those of the News, but were reports being made against the name of this fair city by others who said that bootlegging was easily procured in Canyon. We do not know whether it is more easily procured in Canyon than in any other town, as we are not interested in burning up our stomach with that kind of stuff.

Furthermore, the News was not attacking any local officer, or boosting for any candidate for office. We simply printed the statement with a view of calling the attention of the people of this city to the fact that Canyon was being besmirched by those who claim they had bought the stuff openly in Canyon. If they lied about this, the citizenship is entitled to know that they lied; if they told the truth, then it is time that action be taken, not only by the officers, but by the citizenship. Respectability and bootlegging should not be allowed to mix in a town with the cultural standing of Canyon; a town which invites the young people here for self-improvement and not for self-destruction. If there is any officer who has not done his duty, it's time that the citizenship take more interest in public affairs and elect officers who will do their duty. If there are candidates whose stand on the liquor question is questionable, the voters are entitled to know it before election, rather than wait until after he takes office. So far as the citizenship is concerned, the voters are largely to blame for the entire situation; first, by not electing the right kind of officers; second, by not cooperating with the officers and seeing that the officers have all the information necessary to lead to arrest; third, by doing their duty as jurors in enforcing the law.

To clean up the bootleggers is not a one-man affair. It will take the cooperation of every citizen. In a town like Canyon, with the hundreds of young people coming from every section of the state, the bootlegger has no more right to exist than would a bank robber or any other criminal.

These are plain words, but evidently it will take plain words to jar the citizenship to action; to cause them to do something about a situation, which from the outside is reported to be very bad.

RANDALL'S TAX BILL

Are you interested in cutting your tax bill one-fourth this year? Your answer will be on August 27. Governor Sterling says that he wants to see the State of Texas take over and pay off the \$285,000 highway bond issue for Randall county, which would reduce the county's tax rate from \$1.15 to 75 cents, or a little more than one-fourth. This would help every tax payer in Randall county.

Jim Ferguson says that he wants to see the gasoline tax diverted to the general fund of the state, which would not help the average tax payer one cent on his tax bill.

The voters' mind has been upset this year with intense prejudices against those who happen to be holding public office. Regardless of the records they have made as to economy or for the interest of the state or county in which they served, candidates for reelection have been turned out and new material has been inducted into office. Is it not about time that the taxpayer take some interest in his own pocketbook by looking at the Governor's race from

an unprejudiced and unbiased standpoint?

The voters of Randall county who wish to cut THEIR OWN—not somebody else's taxes—ONE-FOURTH will vote for Sterling. The Governor has promised a special session of the legislature for Sept. 5th to make possible this reduction for the coming year. But if Ferguson is elected there would be no necessity for such a session, as Jim would have his friends upset the whole thing in January, and the taxpayers of Randall county would not receive the least benefit.

It's very clearly up to the voters, as to whether they really wish to save money for themselves.

Honor where honor is due. No other two men in the Panhandle could have put over a financial campaign under existing conditions except L. F. Sheffy and T. D. Hobart. Scores of others nobly assisted them in the work, but the brunt of the campaign was upon their shoulders, and the successful conclusion is their glory. The erection of the Museum building for the Panhandle-Plains Historical Society will be a dream of many years brought to a successful realization. This building will mean more to Canyon and W. T. than any one thing accomplished since the college was located here 23 years ago. Hundreds of people will now have an active interest in the college, who before had only a passive interest. All honor to the scores of men and women who have worked and contributed to the erection of the Museum—but the greatest tribute is due to L. F. Sheffy who drove thousands of miles over the Plains in a cause which was dear to his heart, and to T. D. Hobart, president of the Society, who encouraged Mr. Sheffy when the going was hard, and diligently sought and secured contributions from every corner of the Panhandle.

All citizens of the Panhandle were shocked and grieved Saturday when the announcement was made that Henry Ansley was dead. Henry was a Panhandle product whose circle of friends was limited only by the geographical confines of the Panhandle. In his public relations capacity as a member of the Amarillo News-Globe staff he was doing a wonderful work. Literary fame had come to him in recent months by the article, "I Like the Depression," which has just appeared in book form. There will never be another Henry Ansley, as his was an original life, and his methods and works were of original character.

Governor Sterling will call a special session of the legislature on Sept. 5th for the purpose of passing a bill to divert part of the gasoline tax to pay off the highway bonds of the counties. This would transfer a debt in Randall county of \$285,000 from the shoulders of Randall county taxpayers to the users of gasoline all over the State of Texas. In other words the big cities and counties of Texas, where the big bulk of the gasoline tax is paid, would come to the rescue of Randall county taxpayers. That would help Randall county one-fourth on the local taxes.

What is the meaning of the sudden rise of prices on the stock market? To most people, it is a well planned scheme of Wall street to induce the voters to return Hoover to the White House. There is no reason why stocks should double in the course of a week's time, unless some power was behind the movement. Wall Street cleaned the little speculators in driving down the prices of stock. Now they will clean a fresh batch of speculators on the rising market.

Another prominent man has been killed by a truck on the highway. Yet there are those in Texas who believe that the trucks should be allowed free access to the highways, to run as they please without control or regulation. The people of Texas who built the highways have some right in this matter, and if the devastating trucks are not controlled and regulated they will find themselves absolutely forbidden the use of the highways.

In this issue of the News will be found copies of the nine constitutional amendments to be voted upon in November. Study these amendments, as every voter will be called upon to pass upon their merits. Only until recently was it possible to pass a constitutional amendment in Texas, as the people would turn them down at the polls. With the public mind as it is this year, these nine amendments may suffer the same fate.

A study of the comparative taxes and bonded indebtedness of Randall county with surrounding counties as printed in the News last week shows how well the public affairs of this county have been handled in the past. Piling up huge public debts is fine, while the money is being spent in the community, but when pay day arrives, it is not so nice for the taxpayer.

A movement is on over the state to repeal the poll tax law. At

See Summer Through With Your Frocks

LONGER ORGANDY DRESSES, OF SIMPLE OR FAIRLY COMPLEX DESIGNS, HAVE REPLACED GINGHAMS AS LATE SUMMER FAVORITES

BY HARRIET

AS summer goes it is natural to want to be gay in a thoroughly summer frock. Summer is such a mixture of dance music that drifts across the warm nights, low stars, and charming frocks that you can't slip into a strictly fall evening dress and expect the moon to do its best by you.

The gingham that held first place in the summer moonlight are being replaced by material that is a little more formal. Eyelet-embroidered organdy, which succeeds in being formal on a strictly informal basis, is one of the August favorites. Dresses fashioned from this material, as well as all other lightweight materials, must necessarily be longer because of the movement born of their sheerness, which, after all, is their main characteristic. Medium-length skirts are just as ineffective on summer afternoon frocks as on evening gowns.

Afternoon dresses must be the kind that will be in harmony with the verandas of summer clubs. It is possible, though, to choose a print that will get a second glance, even in September. For ordinary afternoon frocks, a design that is small and extremely discreet is preferred, but for the garden party or race dress the effect can be bolder and the design more complex. Gawk designs and flamboyant color combinations are never in good taste.

PALE cloudy shades of pink and certain shades of gray and beige livened by a touch of bright color which produces a certain effect without being too blatant, are always in harmony. Gray shoes are being shown for autumn wear. They haven't taken steps in any direction for several years but now they are back in the first row of the style parade. They will serve nicely with your late summer afternoon frocks and be ready for autumn wear.

One afternoon frock of printed chiffon features pinks and beiges. The skirt is nearly ankle-length

first thought it looks like a good thing, but considering the fact that the school fund of the state would suffer a loss of nearly two millions of dollars annually, thought should be taken of where the money would come to replace these two millions.

James J. Tunney, former heavyweight champion of the world, is campaigning for Franklin D. Roosevelt. It is stated that Tunney is the most sought after speaker in the Roosevelt campaign. His reputation brings out the crowds, and his qualifications as a scholar and speaker holds their interest.

More road work will be underway in the Panhandle than in any section of the state, judging from the contracts being let by the State Highway commission. A determined effort to close the gaps will be most heartily approved by the people of Texas.

ARMY LIFE AT PALACIOS IS INTERESTING

W. T. BOYS APPLY THE SLOGAN "A DOLLAR A DAY AND THE WORK AIN'T HARD."

By Vincent Lockhart

The men from Canyon in Company F, 142nd Infantry, encamped at Camp Hulen, Palacios, Texas, have at last become settled to the famous army slogan of "A Dollar a Day and the Work Ain't Hard," to which some humorist answered "A Million Days—a Million Dollars."

Of course, any Army life is not all roses, and even roses have thorns. But every man enjoys the change that army life gives him.

The entire morning curriculum is devoted to drill. First call is sounded at 5:15. The men must stand reveille at 5:30 in full uniform, then they are given breakfast at 6:00 o'clock. From 6:30 to 7:00 the men police the grounds and get the tents ready for inspection. They drill on the field from 7:00 until 11:45. Mess call for dinner is blown at 12:15.

Unless there is a special parade or some special work to be done, the men are free until 5:30 when they eat supper. Retreat is usually in the form of a regimental parade at 6:00 o'clock. The rest of the evening is open to the soldiers until 10:30 when taps is blown. Lights must be out by 11:00.

The first few days of the camp were busy ones for Company F, since they had barely got the tents up and ready for inspection when

and the bows on bodice and skirt are reminiscent of evening models that have cast shadows in the summer moonlight. A huge brown bengal straw hat, trimmed with beige and rose flowers and banded with brown grosgrain ribbon complete the ensemble.

The belt and shoulder bow of pale blue peau-d'ange which are held by a diamond motif, add the only decorative touch.

BUFF GRIDDERS TO OPEN CAMP SEPTEMBER 10

SOME OF LAST YEAR'S LETTER MEN WILL NOT RETURN.

Invitations have been sent out to about 30 eligible Buffalo grid-ders for the football training camp, which will open September 10 at the College.

With only 10 days to make ready for the opening game the Buffs will be put through two lengthy practice drills each day until September 23, when the Simmons University Cowboys invade the Buffalo domain.

Prospects for a rip snorting team were never better "if," and that if may change the entire layout. Old Man Depression is hitting harder and harder, and it now appears that some of the boys upon whom Coach Burton has been building hopes may not return to school this fall.

Bill McLendon, captain elect, and last year's All-T. I. A. A. center, is at home in Clovis and reports that he is working some each day and that he was never in better condition. In fact, practically all of the men who will report for training have been doing hard work this summer and should re-

MRS. HENRIETTA SCOTT IS HONORED WITH SHOWER

Lovely in its summertime appointments was the delightful bridge-shower given Tuesday evening by Mrs. John S. Humphreys and Miss Edna Graham honoring Mrs. Henrietta Scott, college nurse, who leaves soon for the east where she will make her home.

The entertaining rooms resembled a flower garden with bouquets of fragrant summer blossoms in a color scheme of white and yellow. Bridge was enjoyed during the early part of the evening, and the shower of gifts which were presented following the games was a complete surprise to the honoree.

Refreshments carrying out the chosen colors were served by the hostess.

Guests for the occasion were: Mrs. Scott, guest of honor; Mrs. C. R. Burrow, Mrs. R. A. Neblett, Mrs. Clyde Warwick, Mrs. Travis Shaw, Mrs. John Fry, Mrs. D. M. Stewart, Mrs. Wallace R. Clark, Mrs. F. E. Savage, Mrs. C. H. Jarrett, Miss Mary Morgan Brown, Mrs. S. L. Ingham, Mrs. Irby Carruth, Mrs. B. A. Stafford, Mrs. Joe Gamble, Miss Tennessee Malone, Miss Darthula Walker, Mrs. Laura Saunders, Miss Anna I. Hibbets, Mrs. Geraldine Green, Miss Pauline Brigham, Mrs. Dan K. Usery, Mrs. Marian Witt, Miss Esther Rudolph, Mrs. J. A. Hill, Mrs. D. A. Shirley and Mrs. A. C. Amisler of McGregor.

MRS. McELROY IS HOSTESS TO CLUB

Mrs. Clyde McElroy of 1008 Fifth Avenue was a charming hostess when she entertained the members of the As-You-Like-It club with bridge at her home Thursday afternoon.

A profusion of colorful summer flowers were attractively arranged in the rooms where the tables were arranged for the games. Tallies and score pads were developed in summer colors and designs. A delicious refreshment course was served at the tea hour.

Seated were: Mrs. L. Angel, Mrs. William Ash, Mrs. Harris M. Cook, Mrs. Chas. Flesher, Mrs. John Fry, Mrs. N. E. McIntire, Mrs. T. M. Moore, Mrs. Dan K. Usery, Mrs. F. E. Savage, Mrs. J. J. Walker, Mrs. D. M. Stewart, Mrs. A. W. Sternberg, Mrs. Bill Black, Mrs. Gray Dean Foster, Miss Esther Rudolph, and Miss Wardie Wilson of New Albany, Miss.

VARIETY OF GIFTS ARE PRESENTED AT SHOWER

Gifts ranging from fly-swatters to blankets were the result of the shower for the furnishing of the Methodist camp recently built by the Methodist Church. Although the crowd was small, fun was a feature of the affair and it means the beginning of a well-furnished camp which is Miss Swisher's dream.

Those who were present for the evening's enjoyment and the picnic supper were Rev. Jameson, Elizabeth and Ellen Jameson, Mrs. Elizabeth Fry Page, Mr. and Mrs. Miller, and Mrs. B. F. Hooker.

B. A. U. DISCUSSES "HOW TO BE A GOOD NEIGHBOR"

A subject that is close to the hearts of good citizens was discussed Sunday when members of the Baptist Adult Union chose the topic "How To Be a Good Neighbor" as their lesson for the day.

The meeting was opened by singing "Let Others See Jesus In You" followed by prayer led by Mrs. J. H. Wright.

Mrs. R. W. Ratcliff, group leader, was in charge of the program. Topics discussed were as follows:

The Good Neighbor According to Moses—Mrs. F. S. Crowder.
The Good Neighbor According to David—Mrs. G. B. Heath.

The Good Neighbor According to Solomon—Mrs. S. H. Jones.
The Good Neighbor According to Habakkuk—Mrs. Ratcliff.

The Good Neighbor According to Jesus—Mrs. A. N. Burgan.

Twenty-one were present at the meeting and great interest was manifested in the discussions and viewpoints expressed by the members on the program.

A cordial invitation is extended to all adults, especially Baptists, to attend the meetings of the B. A. U. each Sunday evening at 7 o'clock at the Baptist church.

BAPTIST STUDENT UNION IS ENTERTAINED SATURDAY

The young people of the Baptist Student Union enjoyed a delightful party at the home of their sponsors, Mr. and Mrs. W. H. Hardin, Saturday evening.

A pink and blue color scheme was developed in the rooms where the guests assembled and enjoyed an evening of games and contests. A refreshment course of ice cream and cake, with favors and napkins carrying out the chosen colors, was served by the hosts.

Those present were: Misses Fannie Mae Rees, Juanita Campbell, Opal Sheets, Augusta Samuelson, Esta Mae Smith, Paye Bible, Frieda Gill, McElroy, Elizabeth Bengie of Tulsa, Okla., Margaret Bengie, Mavis Hardin, Sunshine Hardin, Louise Wester, Betty Harris, Marie Couch, and Osce McCrerey, and Messrs. Ray Crowder, Joe Slack, Broughton Hardin, G. C. Applewhite, Josh Smith, Edwin Dutton, J. L. Hardin, Howard Williams, and Mr. and Mrs. Hardin.

MISS SUE GATES AND MRS. MUNSON HONORED AT TEA

The first breath of fall added zest to the tea given by Mrs. Elizabeth Fry Page in honor of Mrs. F. M. Munson and Miss Sue Gates. The house was beautifully decorated with golden glow.

The guests enjoyed a salad course served with iced tea, mints, and salted nuts.

The guests included Miss Sue Gates, Mrs. F. M. Munson, Mrs. C. E. Davis, Misses Lina Babson, Hester Gates, Mary Jo Gates, and Mrs. Geraldine Green.

Mrs. G. F. Woods of Long Beach, California, is visiting her son, L. A. Osgood, here. Mrs. Wood expects to be here several weeks.

MISSIONARY SOCIETY MEETS TUESDAY AFTERNOON

"Finding God in Great Personalities" was the interesting topic under discussion at the meeting of the Methodist Missionary Society at the home of Mrs. A. W. Sternberg, 1005 Fifth Avenue, Tuesday afternoon with Mrs. Sternberg as hostess, assisted by Mrs. Joe Thompson.

The Sternberg home was lovely with bouquets of late summer flowers in the rooms where the guests were seated.

The meeting was opened by singing "I Must Tell Jesus." Mrs. Ben Louderer had charge of the program for the day.

Mrs. Gore gave a discussion of Lincoln's "Gettysburg Address" and of "Meditations." The leaflet, "Christ in China" was ably discussed by Mrs. I. C. Jenkins. Mrs. C. E. Jameson, Mrs. Chas. Dowlen and Mrs. Clyde McElroy. Closing prayer was given by Mrs. Jameson.

During the social hour an entertaining musical program was given. Miss Jewell Chambers gave three piano numbers, "Night Alarm," "Gypsy Revels" and "Fairland Music." Miss Evelyn Shanklin sang "Memory" and "Golden Romance" with Miss Gwendolyn Black at the piano. Miss Gwendolyn Black gave a piano solo.

"The World is Waiting for the Sunrise" as the closing selection. Delicious refreshments were served by the hostesses.

CENTREVIEW CLUB MEETS LAST FRIDAY

The Centreview Home Demonstration club met at the home of Mrs. E. W. Schaeffer Friday afternoon with fifteen members present. Six new members were welcomed into the organization.

Miss Sadie Kate Bass gave a demonstration on the canning of corn and discussed several factors in planning a home budget.

Mrs. E. N. Zachry was elected home demonstrator for the club, and Mrs. J. H. Holly was elected council member. Several committees were appointed to plan the yearly program.

The organization will meet Friday afternoon, August 19, at 2:30 o'clock with Mrs. W. F. Barnard. All members are urged to be present.

Miss Sadie Kate Bass gave a demonstration on the canning of corn and discussed several factors in planning a home budget.

MR. AND MRS. GEORGE ENTERTAIN FRIDAY EVENING

Mr. and Mrs. L. N. George entertained with a delightful picnic dinner on the lawn of the L. C. Merchant home here Friday evening. Following the dinner hour, the party went to the Buffalo stadium and took part in the Play Night sponsored by the College.

Guests for the occasion were: Mr. and Mrs. Geo. F. L. Bishop and Mr. and Mrs. L. C. Merchant of Canyon, Mr. and Mrs. F. M. Cleek, Mr. and Mrs. Curtis Douglas and Mrs. Sam Rorex of Panhandle, Miss Joyce Smith of Clarendon and Judge Henry Bishop of Amarillo.

REV. AND MRS. SIECK VISIT FRIENDS HERE

Rev. and Mrs. J. A. Sieck and son, Ervin, and daughter, Marian, of Shawnee Town, Missouri, visited with old friends in the Palo Duro Community and Canyon over the week-end. Rev. Sieck was pastor of the Lutheran church of Palo Duro for six years, leaving there three years ago. They were accompanied on their visit by Dr. and Mrs. H. E. Sieck of Vernon.

The party were house guests of Mr. and Mrs. Henry Meyer while in the county.

Following the services Sunday evening, members of the congregation brought baskets of food and spread supper on the lawn of the Meyer home, thus affording Rev. Sieck an opportunity to visit with many he otherwise would have been unable to see.

MISS ANN SMITH ENTERTAINS TUESDAY

Entertaining a number of her friends, Miss Ann Smith was hostess to four tables of bridge at her home on Seventh Avenue Tuesday evening.

Garden flowers adorned the rooms where the tables were placed for play. Following the games a refreshing iced course was served.

Seated were: Mrs. Jasper Atkins, Mrs. Harris M. Cook, Mrs. Laurence Hedrick, Miss Ruth Lowes, Miss Mary Louise Anderson, Mrs. Jack Boutwell, Mrs. Wallace O'Keefe, Miss Addalene Strain, Mrs. Felix Pierce, Mrs. Bernard Weeks of White Deer, Mrs. M. L. Cousins, Mrs. Royce Banks, Miss Madge Rusk, Mrs. Weldon McKinney and Miss Wardie Wilson of New Albany, Miss.

AMERICAN LEGION AUXILIARY MEETS

The American Legion Auxiliary met at 3 o'clock Monday afternoon in a short business and program meeting in the club room at the court house.

Following the business session Mrs. Coy B. Shepard read an interesting paper on "Women Veterans of the World War."

Pat Whittington of Longview arrived in Canyon Monday to join his wife in a visit with her parents, Mr. and Mrs. N. E. McIntire.

Mrs. A. D. Miller of Denton arrived Saturday for a visit in the home of her brother, Dr. D. M. Stewart.

Mrs. Alvin C. Thompson of Hereford was a guest of Mr. and Mrs. L. N. George last week.

SUSIE'S Musings

"Humph, so I broke into print last week," said the Young Philosopher as she walked in for an evening chat.

"Humph, how do you know it was you?" asked Our Family.

"Don't you think I can recognize my own ideas?"

"Most people can't during a political year," came back O. F.

"I surely do like the Plains country," said Miss Sadie Kate Bass, our new Home Demonstration agent, this week. "These cool nights are so invigorating and so different from summertime in south and central Texas. I like the country, the climate and the people, especially the women I have met in organizing clubs throughout the county. This Plains hospitality is the real thing."

Miss Bass comes from Brenham, and this is her first time to see the Plains.

We read a book last week wherein it stated that it takes Norwegians several hours to take a bath. It takes Our Little Brother almost that long and he never heard of Norway.

"Hard times are only in our minds," remarked a man on the street the other day, and while we felt that such a statement is not altogether true, it has more than a grain of wisdom. Optimism is a mighty force and the will to do is even mightier. On looking about us we have observed that those who are forging ahead, making each day count, using few words and lots of brain work, are getting some place. We are not exactly sure just what place that is, but at least they are neither standing still nor looking backward, and

Canning — Canning — Canning

Is the order of the day—canning meats, vegetables and fruits. Gardens are fine. Fruits are cheap. Lots of wild grapes are in the canyons. Almost everything in the way of food can be canned and put back for winter use to help supply the family table with the very best of food at a very low cost.

There is nothing better than home canned peas, beans, corn, pickles, greens, beef, chicken and fruits of all kinds.

We have a complete stock of Pressure Cookers, canners, sealers, fruit cans, jars and lids—in fact everything that it takes for canning. All surplus food will be needed next winter. Let us do what we can to save it all.

No Matter What You Think of Hornsby as a Manager, You Have to Credit Him With Lon Warneke, Pitching Find of 1932

BY PHILIP MARTIN

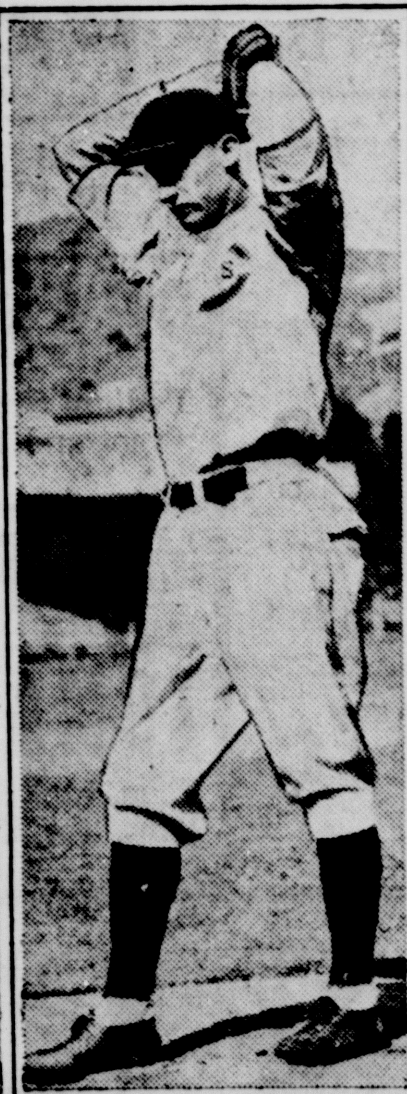

NO matter what baseball fan-dom may say about Rogers Hornsby as a major league manager, my hat is off to the deposed pilot of the Chicago Cubs for bringing out the National League's finest pitcher of the year, Lon Warneke.

Not since 1930 has the National League produced a pitcher capable of pitching 20 victories. Pat Malone of the Cubs won just 20 that year, and also turned the trick in 1929, when he pitched 22 victories and lost 10 decisions.

But thanks to Hornsby's capable handling, and Warneke's effective hurling, the National League will have another 20-game winner this year. Young Mr. Warneke pitched his 17th victory of the season on Aug. 7, and if he steers clear of the hospitals, he'll easily reach the select circle.

In snaring his first 17 wins of the season, the Cub phenom took at least one fall out of every team in the circuit. The Reds and the Giants proved easiest for him, as he beat each club four times. The Braves fell three times before his curves. The Pirates and the Cardinals were defeated twice each, and to complete the list of victories, Warneke gave the Phillies and Dodgers each one beating.

Hornsby claims to have done practically all of Warneke's thinking this year. If this be true, the Rajah might have been a pretty fair pitcher himself, if he hadn't

LON WARNEKE

been such a wonder at the plate. Enacting the role of a McGraw, Hornsby signaled every pitch Warneke made. The system worked, as the youngster's record shows.

ALTHOUGH the season of 1932 is Warneke's first as a regular Cub pitcher, he was with the Chicago club in 1930 and 1931, and has been pitching in organized baseball five years.

He began his career as a raw rookie of 19 at Houston, Tex., in 1928. Houston couldn't see much in the young Arkansan, and he was shipped to the Cotton States League club at Laurel, Miss.

Warneke was able to win only six games out of 20 for Laurel and was fired in mid-season. He drifted from place to place for almost a year, finally landing at Alexandria. Here he began to show something on the ball and by the end of the season had won 16 games.

Impressed by this kind of pitching, the Cubs decided to look him over in the spring training season of 1930. They were disappointed and quickly optioned him to Reading in the International League. With Reading he worked in 34 games, but the best he could get was nine victories. Recalled for the 1931 spring training season with the Cubs, he remained to work as a relief pitcher, in which capacity he won two games.

But look at him go this year.

M. E. CAMP OPENS WITH 75 GIRLS ENROLLED

Northwest Texas Methodist Girls' camp opened Friday of last week at the Methodist Encampment grounds in Ceta canyon with Mrs. T. C. Delaney of Memphis in charge. More than 75 girls from Panhandle towns and as far south as Abilene were enrolled in the camp early in the week. It is expected the enrollment will reach 100 before the two weeks' camp is over as new girls are entering each day.

Many unusual programs are being given this year. One of the most interesting was given Saturday evening when six colored residents of Amarillo gave a program of Negro spirituals, hymns and request numbers. Rev. E. Gaston Foote of Amarillo was scheduled for a lecture on birdlife one evening this week. Friday evening the Canyon Y. W. C. A. will present a play for the entertainment of the campers.

The days are busy ones taken up with devotional, sing songs, and swimming parties besides the routine work of the camp. The camp endeavors to add improvements to the grounds each year. This year the girls have two new cabins, a shower house and a dressing room.

MR. AND MRS. LASATER ENTERTAIN TUESDAY EVE.

Mr. and Mrs. Haskell Lasater entertained Tuesday evening with three tables of bridge at their home, 1800 Fourth Avenue. Flowers adorned the entertaining rooms where the tables were placed for the guests.

A refreshing iced course was served after the play.

Guests present were: Mr. and Mrs. James Cole, Miss Madeline Bull, Miss Lillian Donnell, Miss Nancy Graham, Miss Virginia Leigh Bull, Miss Lera Isom of Lubbock and Messrs. Malcolm Martin, Joe Bennett, and Chas. Dowlen.

CITY FEDERATION TO SELL CEREALS

Members of the City Federated clubs are working a novel sales plan Saturday with the Kellogg company through which they will realize a sum of money to aid in carrying out their community service program. It has been announced this week.

The Federation, through Mrs. J. Madison Daugherty, president, is urging housewives of Canyon to wait until Saturday to buy cereals at which time the Federation will have charge of a special sale of cereals in Canyon stores.

Workers in the Federation will compete in the sale of as many cereals as possible to earn special bonuses, a certain sum being guaranteed to the organization.

The Club women have an ambitious community service program which will be handicapped unless funds can be provided, and the women are passing up no opportunity to obtain the funds.

CLASS STUDIES FOREIGN MISSIONS

The Mission Study class of the Presbyterian church met Tuesday afternoon for an interesting and instructive lesson on International Missions, ably led by Mrs. W. C. Kunze.

Devotional was led by Mrs. Chamberlain. Interesting discussions were given by Mrs. Joe Black and Miss Esther Fogarty on different phases of mission work in foreign fields. Beautiful pantomimes of foreign lands, representative of the various nationalities, were given in costume by the following: Misses Alma and Opal Smith, Catherine Robinson, Esther Bandy and Sonny Robinson.

Attendance has grown since the weather has become more pleasant.

Mr. and Mrs. Jim Davidson and son of Amarillo were business visitors in Canyon Tuesday.

BUSINESS WOMEN ARE ENTERTAINED WEDNESDAY

Mrs. Clyde Warwick, Miss Lorena Frieze and Miss Lillian Atkins entertained the members of the Business Women's club with a delightful lawn picnic at the home of Mrs. Warwick, 1110 Sixth Avenue, Wednesday evening.

The guests assembled between the hours of 6:30 and 7 o'clock and were served a delicious picnic supper early in the evening. A color scheme of orchid and yellow was carried out in the refreshment course.

Lawn games and contests were enjoyed until a late hour.

Guests present were: Mrs. Earl Robbins, Miss Edyth Wiggins, Mrs. J. J. Walker, Mrs. Lige Frieze, Mrs. W. A. Warren, Mrs. Jasper Atkins, Miss Lillian Donnell, Miss Irene Presley, Miss Gladys Beavers, Miss Winnie Davis, Miss Irene Shackelford, Mrs. A. E. Terry, Miss Mable Thornton, Miss Emil Brewer, Miss Pearl Black, and Mrs. James Cole. Miss Gladys Beavers, president, announced a business meeting to be held Friday evening at 6:30.

MRS. MAXWELL IS HOSTESS TO 1925 CLUB

Selecting a summer motif of colorful garden flowers, Mrs. T. S. Maxwell entertained the members of 1925 Bridge club at the home of her mother, Mrs. W. H. Woods, 1111 Third Avenue, Wednesday afternoon.

Roses and zinnias predominated in the bouquets in the rooms where eight tables were placed for play. Seasonal designs were featured in the table accessories. A delicious refreshment course was served at the tea hour.

Seated were: Mrs. G. A. Farlow, Mrs. T. B. McCarter, Mrs. J. Madison Daugherty, Mrs. Clyde Warwick, Mrs. J. J. Walker, Mrs. Dan Sanders, Mrs. Felix Neff, Mrs. Carl Scott, Mrs. Hubert Hartman, Mrs. Mitchell Jones, Mrs. Harry Wood, Mrs. O. N. Gano, Mrs. Joe Black, Mrs. Hud Prichard, Mrs. Ray Campbell, Mrs. M. MISS ELVA FRONABARGER HONORED MONDAY WITH TEA

Miss Elva Fronabarger, who is resigning from the W. T. Training School faculty, was honored with a tea given by her friends at the Kerr House Monday afternoon, August 15.

Miss Hibbetts, Miss Lowes and Mrs. Saunders were hostesses at the party, aided by Mrs. B. F. Fronabarger, mother of the honoree, Mrs. J. A. Hill, and Miss Mae Simmons. Receiving hours were from three to six, and around a hundred and fifty guests were present.

A color scheme of yellow and white was carried out in the decorations of the house and in the delightful iced course that was served as refreshment.

The afternoon's program consisted of a group of vocal solos by Miss Ada V. Clark, several readings by Miss Mary Morgan Brown, a group of piano numbers by Mrs. Herschel Coffee, and a violin number by Miss Marie Fronabarger.

Friends who aided in serving the guests were Miss Anna McDonauld of Amarillo, Miss Jean Moore, Mrs. J. Evetts Haley, Miss Ruth Cross, Miss Ina Barlow, Miss Novella Goodman, Miss Darthula Walker, Miss Mattie Swayne, Miss Edna Graham, Miss Virginia Jarrett, and Miss Laurine Alvord.

CLUB IS ORGANIZED FRIDAY AFTERNOON

Women of the community just west of Canyon met Friday afternoon at the home of Mrs. A. N. Burgan and organized a Home Demonstration club.

Mrs. Burgan was elected president, Mrs. J. J. Wright vice-president, Mrs. Coily Burrus secretary-treasurer, and Mrs. L. A. Donnell reporter.

Twelve ladies were present at the meeting Friday. The club will meet each second and fourth Wednesday in the month.

Mr. and Mrs. Paul Lentner and small son, Bobbie, of Roswell visited over the week end at the home of Mrs. Lentner's mother, Mrs. M. E. Rhodes, and her sister, Mrs. Levi Cole.

Miss Hazel Wineinger made a trip to Hereford Tuesday where she attended to business affairs.

G. W. Vernon of Happy attended to business in Canyon Wednesday.

ROWAN FAMILY HOLDS REUNION AT CANYONS

Members of the Rowan family met in their annual reunion on August 9, 10, and 11 at the Baptist Encampment grounds in Ceta canyon. This affair has been a yearly function since the death of their mother, Mrs. John Rowan, five years ago. The first reunion was held at Carlsbad Cavern.

Those attending this year were: Mr. and Mrs. J. H. Rowan and son Floyd, of Decatur; Mrs. G. S. Ballard and daughters, Viola and Jewel; Mr. and Mrs. T. H. Rowan and daughters, Mable and Jonnie; Mr. and Mrs. Guy Ballard, Mr. and Mrs. W. R. Ballard and son, Arthur Sewall, Dr. and Mrs. L. J. The party at Mrs. Otto Lehnick's Saturday night proved a great success. The people of this community that attended the party certainly had a grand time. Refreshments of cake and punch were served.

Virgil Dowdy and Pete McCauley have just returned from a trip to Fort Worth.

The Young People's Christian Society of Sunny Hill certainly needs your attendance. Every one be sure to attend our meeting week after next. The regular meeting which was to be held Sunday night is postponed to be held the following Sunday.

W. H. Dowdy and Jewell Jones made a business trip to Amarillo Monday.

Mr. and Mrs. O. A. Smith visited Mr. and Mrs. Cobb late Sunday evening.

Mrs. W. A. Porter and daughter, Juanita, of Winters, Texas, are visiting in the home of Mrs. Porter's parents, Mr. and Mrs. J. F. Love.

WICKED WASTE

A British authority has made a careful calculation about the annual world cost of armaments and finds that during 1931 the total was 980,000,000 pounds. This figure approximately coincides with a calculation made some months ago.

The British calculator gives point to his figures by adding that the total armament expenditure for last year is "a sum equal to one gold pound for every minute since the birth of Christ."

Such statistics have a melancholy ring in the ears of the average layman; but will the Lausanne conference stop this wicked waste of world resources, squandered on an industry which, for the most part, brings the taxpayer interest on his huge investment only if there is a war? Settling aside engineers, service scientists and such, soldiers, sailors, forts and warships earn no money, construct no goods; they are only consumers.

Our idea of a pessimist is the guy who is apprehensive about the coming election campaign slowing down business.

Never tell a man that his boy looks like his mother if he owes you money.

Lyceum Play Is Well Attended Wednesday Eve.

Playing to a crowded house, the Bergmann players presented "The Heart of Paddy-Whack" by Rachel Crothers, at the auditorium in the Education building. The play was a number on the summer lyceum course as planned by the College.

"The Heart of Paddy-Whack" is an Irish comedy of the period of 1830. Anita Tully and Gene Bergmann played the leading parts, with Nat Wade, Polly Vaughn, John Williams, Betty Mack and Junior Williams, taking important characterizations.

RECOMMEND PASTOR

The Pulpit Committee of the Baptist church recommends the church go into conference Sunday, August 21, for the purpose of calling Reverend Hicks for supply pastor.

Rev. and Mrs. J. H. Braswell have returned from Clarendon where they spent two weeks at the home of their son, Sam M. Braswell.

Mrs. L. D. Green of Goree, Texas was a house guest of Mr. and Mrs. M. L. Barnard over the week end.

Miss Lera Isom of Lubbock is a house guest of her niece, Mrs. Haskell Lasater this week.

TO MY FRIENDS AND VOTERS OF RANDALL COUNTY:

It has been called to my attention by some of my friends that there is being circulated around the county that I have made certain promises to certain men that I will appoint them deputies if I am elected sheriff.

There is not one word of truth in this report. I have made no promise to man or woman in Randall County as to any job or position if I am elected.

I have not even myself given serious thought as to who I will appoint if I am elected. If I am elected I will try to appoint only good citizens giving due thought and consideration to the wishes of the citizens in the localities in which these men will work.

Local candidates have been invited to be present and to make short statements regarding their candidacy for the August primary.

**Company F Wins in
Football Game at
Camp Palacios, Tex.**

Camp Hulen, Palacios, Texas, August 15.—Company F, 142 Infantry, from Canyon, Texas, won a grudge football game from Company E, of the same regiment, played in camp, Saturday, August 13. The score was 6-0.

The Company F team was out-weighted but showed more skill and football class than the Company E men. The game was fast and hard fought from start to finish. Despite the fact that the game was played with improvised shoulder pads, made of blankets, and no helmets, only two men were forced from the game with injuries, both Company E men.

The F team was composed mostly of Buffalo and Canyon High School players. The game was the outgrowth of sharp rivalry in other activities that has existed between the two companies for several years.

The outstanding feature of the game was the line plunging of Raymond McKee, fullback for Company F. Sgt. Tim Daugherty called the game for the winners and threw a long pass to Bill Strain, who carried the ball over for the only touchdown of the game. Company F made four first downs to two for the losers.

The Company F lineup was as follows:

Right end, Bill Strain; right tackle, George Brasuel, Roy Long; right guard, Curtis Bell, Normal Claunch; center, Johnny Pool; left guard, Leon Penick; left tackle, Leonard Brasuel; left end, Ernie Wiggins; left halfback, Seth Rollins, Lester Claunch; right halfback, Johnny Wilson, full back Raymond McKee, Jasper Atkins; quarterback, Tim Daugherty.

**WEST TEXAS DIRECTORS
WILL MEET AUGUST 25**

Directors of the West Texas Chamber of Commerce will meet at Amarillo next Thursday, at which time local secretaries, and local members of public expenditure committees of district No. 1 will join in discussion of regional problems.

Wallace R. Clark is director of the West Texas Chamber of Commerce and local members of the local expenditure committee are C. H. Jarrett, W. D. Smith, A. M. Smith, G. G. Foster and J. J. Bauer.

**NEW COLLEGE
CATALOGS ARE
JUST RECEIVED****CHANGES MADE IN FACULTY
FOR THE COMING YEAR.**

The 1931-32 catalogues of the West Texas State Teachers College are just off the press and are being distributed over the Panhandle. They include general information about the college and announcements for the coming school year. Registration for the fall term will begin September 21 for freshmen and the 22nd for upper classmen.

A number of changes are to be noted in the faculty for the coming year which are partly due to the nepotism ruling that no two members of the same family can teach in any state teachers college. L. G. Allen, who has been with the college since 1910, has resigned as head of the mathematics department. He has been assigned the position of clerical assistant to the institution.

Mr. Allen will be succeeded by C. A. Murray as head of the mathematics department. Mr. Murray has been associate professor of mathematics at W. T. since 1926, having taken a leave of absence last year to work on his doctorate at the University of Texas last year. Miss Hazel Allen, assistant professor of music, has resigned and is now visiting in Los Angeles, California.

Miss Ina C. Barlow, associate professor of history, is going to take a leave of absence during the next year to work on her doctorate at the University of Texas. Miss Bessie C. Engle, who has been substituting in the geography department, will attend the University of Chicago next year.

Dr. F. M. Darnall, head of the English department, is changing places with Dr. B. F. Fronabarger, Jr., who is head of the English department at North West Texas State Teachers College at Denton. Dr. Fronabarger will come as head of the English department here.

Thomas M. Clark, known as "Uncle Tommy" to W. T. students, has resigned as associate professor of modern languages after having taught for over a half century. Miss Corella Nuzum, who has been substituting in the home economics department, is teaching at North Texas State Teachers college this summer. L. A. Osgood, associate professor of English, has resigned and will probably attend the University of Southern California the coming year.

Mrs. Ethel Gray Snaw, associate professor of English, is working on her M. A. at West Texas. Miss Margaret Lee Wiley, assistant professor of English, is on a leave of absence. She has a graduate fellowship at the University of Virginia, and will complete the work on her doctorate this coming year. C. H. Thurman, who received his M. A. degree from the Southern Methodist University at Dallas, will take Miss Wiley's place.

Miss Elva Fronabarger, assistant professor of education at the school, will spend the winter in Canyon.

Carl T. York, instructor of mathematics in the high school, will take his old place as instructor of mathematics in the high school.

Some men are so busy beginning things that they have no time to finish anything.

Which Shall Rule?

Shall the Railroad Commission represent the people, or shall it be dominated by major oil companies?

Shall the hundreds of thousands of dollars being spent in this campaign buy the office, or will the "Appointed Colonel" be repudiated, as he was in the first primary?

Shall we let the big oil companies control one of Texas' most important natural resources and regulate the price of crude oil and the retail price of gasoline through the appointment of their favorite, Colonel Thompson?

The Common People said "NO" in the July primary, and we believe the people will again take control of the Commission, August 27th.

**The Platform of Ben Loudder**

An honest desire to give you the best administration of the highest order.

Employment of Randall County citizens of integrity and character for every department. Following is Ben Loudder's own statement:

"I have a family of my own, children now in the Canyon schools. I feel capable of dealing with youth in a helpful way, thus avoiding many mistakes now being made by law enforcement officers, which often force young people to become hardened criminals.

"I believe in the strict enforcement of all laws, and including the present prohibition laws, and if I am elected, I will use every force at my command to enforce these laws.

"If elected Sheriff and Tax Collector of Randall County, I will devote all my time to the duties of this office."

The record of Ben Loudder as a citizen of Randall County and the town of Canyon merits your serious consideration. Your support and your vote will be more than appreciated.

CANYON CITY CLUB
NEWS

A team of twenty-six players from Wolfkin Park Golf Course, Amarillo, visited the Club Sunday and were defeated fifteen matches to eleven. Bill Laidley, Pro for Wolfkin, broke the record on the first nine, shooting a sparkling 30, the back nine was not so much to his liking and a 41 was the best he could do. Munn, Amarillo's High School star, carded a 71 for the 18 holes, one under par.

Names of the club players in individual matches appear first in the following pairings. Red Gaines bowed to Laidley 2 and 1; Foster defeated Watts 4 and 3; Gamewell lost to Munn 3 and 2; Reeves won from Kinsey 5 and 4; Neft was defeated by J. R. Farmer 2 and 1; while Craig was winning from Seismore 1 up.

Bryant took the measure of Gene Meyer 1 up; Brown won from West 4 and 3; W. Savage lost to Redmond; Trollinger defeated Thompson 2 and 1; Duffot got hot and eliminated Cain 5 and 4, and Mickle stopped Klopstein on the 12th hole.

Hartman won from D. Trimmer 5 and 4; F. E. Savage came thru with a victory to defeat Norman 1 up on the 19th green; Prichard lost to Wesmeyer 2 and 1; E. Wooten got into trouble and was closed out on the 18th; Kleinschmidt got revenge while defeating Turner 3 and 2, and Gano won 3 and 2.

Walsh was in rare form to defeat Daniels 2 and 1; Terry lost to Parcell 3 and 2; Shotwell bowed to Tull 2 and 1; Davis was on the short end of a 5 and 4 count with Murphy; Dr. Sadoris won from Dr. Dan Loving on the 16th green; Terrill beat Gilly 3 and 2 and Maxwell lost to Smith, 2 up.

Sanders lost to Byrd, 2 and 1, while Harper defeated Gwyn 4 and 3.

Mrs. Hartman won from Miss Munn 2 up, and Mrs. Prichard lost to Mrs. Farmer 3 up.

Bill Laidley, in commenting on the club course, said that he has never seen a course with such a variety of holes; that a player should have a full set of clubs and know how to use every one of them, and that something above the ears wouldn't hurt.

Clovis will be here Sunday at 1:30 p. m.

Bill Bryant says he wants to place the best team possible in the match against Clovis; that it is the last home game and that it will take extra good golf to defeat the boys from New Mexico. He wants the match to start promptly at 1:30 so the visitors, who are a long ways from home, may get started on the return trip as early as possible.

Clovis won from the club when Canyon visited there early in the season; 8 points to 5.

Rev. A. E. Butterfield gave us an excellent sermon last Sabbath. Fair crowd in attendance. 74 in Sunday School.

We are favored with lots of rain. Understand a few miles south fields are suffering for rain. Quite a lot of Sudan grass sown and it is fine. Bids fair to be lost if it doesn't fair off. Vegetation is on a boom.

Chaperoned by Messrs W. H. Hamblen and W. R. Moore, thirteen boys and girls crossed the canyon at the old Claude crossing last Friday, returning Saturday. It is generally understood all had a good time. All rode horse back.

O. P. Thomas of Grapevine, Texas, Mrs. Minnie McNeely, daughter and son of Fort Worth are visiting relatives on the Plains. With Mrs. L. J. McGehee, all were dinner guests at J. E. McGehee and wife, Tuesday, W. C. McGehee and family, D. K. McGehee, wife and Mary Lee, also.

W. I. Lane, J. R. Stockett, Roy and Joyce made a trip to Amarillo Wednesday.

M. L. and J. M. McGehee left for New Mexico Wednesday. J. W. stood the trip fine.

Mrs. Julia Howard, Lloyd, Jim, Bruce and Mayben and Dick made an extended trip recently to Hughes Springs, Dallas and other points. Lloyd surprised some of us when he brought his bride from Dallas. A party was given at the Howard home Thursday night for the newly weds.

Mrs. Annie Heisler came in Friday the 5th, has been at Pampa quite unwell all present year. She can walk some with the aid of crutches. We hope she will soon be feeling much better.

W. T. Dungan and wife reached the teacherage Saturday afternoon. We are hoping they will find it pleasant and profitable running Wayside school another session. Miss Poole of Plainview, third grade teacher, is expected later.

George Hancock, wife and Jerry left Sunday. They will spend a few days with Miss Sallie McGehee at Canyon, then proceed to Pampa for the winter.

Uncle Sam Is Home Owner's Ally
In Fight to Avert Foreclosures

MR. AND MRS. JOHN HOME

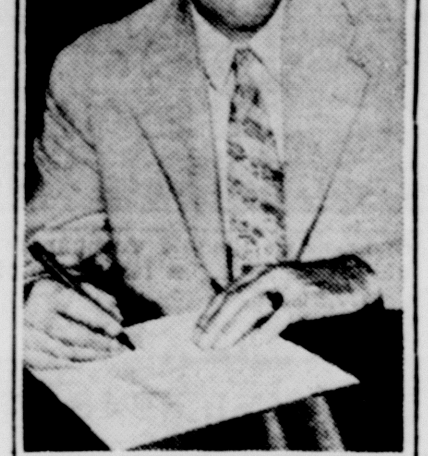

OWNER, who have been worried for fear they will be unable to renew the mortgage on their home when it matures this fall, may as well quit worrying if the plans of the Federal Home Loan Bank Board work out.

The home loan board will have \$125,000,000 to use as capital in setting up branch banks which will make loans to insurance firms, building and loan associations, and other organizations engaged in lending money on homes.

While this money will come from the sale of U. S. Treasury bonds, the money loaned to the various organizations will be secured by the mortgages, and advocates of the home loan plan believe that the board will be able to save thousands of American homes without costing the taxpayer a penny.

Here's the way the plan works out:

The home owner goes to his building and loan association to renew his mortgage. The build-

ing and loan official goes to the district home loan bank, of which he is a stockholder, for as much as 60 per cent of the mortgage. The home loan bank gets its money from the Reconstruction Finance Corporation, which in turn received it from the sale of treasury bonds.

Loans may be made direct from the home loan district banks, but this provision was made only to take care of cases in which the mortgage could not be refinanced through a local agency and the percentage of money loaned under this plan is expected to be negligible.

The plan works the same way for persons who wish to build new homes, or to borrow money to make needed repairs on homes already owned and not mortgaged. Proponents of the measure which created the Federal Home Loan Bank Board believe that thousands of homes will be saved which might otherwise have passed into the hands of mortgage holders.

Here are the members of the Federal Home Loan Bank Board, being sworn in office in Washington. Left to right, they are E. B. Libbey of the Department of Commerce, who swore them in; Chairman Franklin Fort, Dr. John N. Grier, William B. Best, M. Morton Bodfish and Nathan Adams. The closeup shows Fort as he started work.

He's the Goat at the Wedding

The mascot goat of the First Battalion, Welsh regiment, varied his diet with wedding cake when he attended the reception which followed the marriage of Miss Brenda Beryl Jarvis, daughter of Sir John and Lady Jarvis, to Francis Williams, son of Colonel Lawrence Williams, at Hascombe, England. This picture shows the bride giving her guest the cake.

Counterman and family visited the Sluder home Sunday.

Umbarger Items

A dance was given at the home of Mr. and Mrs. A. E. Shaw last Friday. A number of friends attended.

A surprise shower was given Thursday evening by Mrs. Harley Grounds and Miss Mary A. Grooms at the home of the latter for Mrs. L. H. Holman. Those invited were Mrs. L. H. Holman, Mrs. Geo. Wilmoth, Mrs. Henry Henry Beckman, Mrs. Will Turner, Mrs. Will Ash, Mrs. R. Buchanan, Mrs. J. Hancock, Mrs. E. LaLogue, Mrs. Alfred Walker of Canyon, and Mrs. W. R. Connolly of Amarillo. The colors were green and yellow. Ice cream and cake was served.

The Umbarger baseball team played Wildorado and Daniel baseball team here last Sunday. The game was fast, both teams having a hard time to score. An extra inning had to be played to play off the tie. The final score was 3-2 in favor of Umbarger. A large crowd attended.

Many people attended the picnic given by the Umbarger Parish at the Parish Hall, Monday. People from Nazareth, Amarillo and Happy attended the picnic, and reported a good time. A barbecue dinner was served which everyone enjoyed.

In the afternoon a baseball game was played by Nazareth and Umbarger. The score was 13-11 in favor of Umbarger. A large crowd attended.

A dance was given in the Parish Hall (after the picnic). Most of the people attending the picnic attended the dance.

Sunny Hill News

Sunny Hill community was visited by a few fine showers during the past week. However, we surely need a good rain for the row crops and to bring up the volunteer wheat.

Mrs. Lester Knox has been quite ill for several days. The following families enjoyed

an all-day picnic and swimming party in Ceta canyon last week. Emmett and John Russell of Panhandle, Lee Russell of Arney community, Amos Ratjen, Joe Russell, Otto Lehnick and Misses Velma Bailey and Mary Ann Peters, Mrs. Rose Ketchum and Herman Ratjen.

Mr. and Mrs. C. E. Dansby of Valley Mills are visiting in the home of their daughter, Mrs. Amos Ratjen.

Misses Corrinne and Kathryn Hollabaugh have returned home after spending some time in the home of their uncle, White Currie.

Sunny Hill Home Demonstration club met at the home of Mrs. Wheeler Knox Thursday, August 11th, with about ten members present. Several items of business were discussed. Club will meet next with Mrs. Clarence Stallings and Miss Bass will be with us to lead the lesson on canning corn.

CONVENTION ANNOUNCED.

To all lovers of singing: The semi-annual singing convention of Randall County convenes at Terra Blanca school house, 8 miles southeast of Canyon, next Sunday, August 21.

Come, bring your lunch and let's have a good day.

PROPOSING A CONSTITUTIONAL AMENDMENT TO BE VOTED ON NOVEMBER 8, 1932.

Be it resolved by the Legislature of the State of Texas:

Section 1. That Section 7, of Article 11, of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Article 11. Section 7. All counties and cities bordering on the coast of the Gulf of Mexico are hereby authorized upon a vote of a two-thirds majority of the resident property taxpayers voting thereon at an election called for such purpose to levy and collect such tax for construction of sea walls, breakwaters, or sanitary purposes, as may now or may hereafter be authorized by law, and may create a debt for such works and issue bonds in evidence thereof. But no debt for any purpose shall ever be incurred in any manner in any city or county unless provision is made, at the time of creating the same, for levying and

collecting a sufficient tax to pay the interest thereon and provide at least two per cent (2%) as a sinking fund; and the condemnation of the right of way for the erection of such works shall be fully provided for."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the 8th day of November, A. D. 1932.

Be it resolved by the Legislature of the State of Texas:

Section 1. That Section 14 of Article 8 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 14. There shall be elected by the qualified electors of each county at the same time and under the same law regulating the election of State and County officers, an Assessor and Collector of Taxes, who shall hold his office for two (2) years and until his successor is elected and qualified; and such Assessor and Collector of Taxes shall perform all the duties with respect to assessing property for the purpose of taxation and of collecting taxes as may be prescribed by the Legislature."

Sec. 2. That Section 16, of Article 8, of the Constitution of Texas be amended so as to hereafter read as follows:

"Section 16. The sheriff of each county in addition to his other duties shall be the Assessor and Collector of Taxes therefor; but, in counties having ten thousand (10,000) or more inhabitants, to be determined by the last preceding census of the United States, an Assessor and Collector of Taxes shall be elected to hold office for two (2) years and until his successor shall be elected and qualified."

Sec. 3. The foregoing Constitutional amendment shall be submitted to the qualified electors of the State on the next general election to be held on the first Tuesday after the first Monday in November, 1932.

CANNING HINTS

Editor's Note—These recipes for canning are given by Miss Sadie Kate Bass, home demonstration agent for Randall county, and are especially reasonable for use at this time of the year. It is suggested that they be clipped and placed in your recipe cabinet for reference now and in the future.)

PLUM PRESERVES

Prick the plums with a coarse needle. Allow 2 c. sugar to 2 c. fruit and a cup of water to each 2 c. sugar. Let boil, and skim, add the plums a few at a time, letting them boil gently about twenty minutes. Remove the fruit to jars with a skimmer, and let the syrup boil until it gives the test for jelly. Fill the jars 5-6 full of plums, finish filling with the syrup, and seal.

PEACH PRESERVES

1 pound of peaches, 1 c. water, 1 1/2 c. sugar. Remove the skins and cut the peaches. Make a syrup of the sugar and water. Pour this over the peaches and allow to stand over night. In the morning cook until the fruit is clear, pack the peaches in jar and cook the syrup until thick, then add the fruit and seal.

GREEN TOMATO MINCEMEAT (Powell)

1 peck green tomatoes

5 cups brown sugar

4 cups raisins

2 cups beef suet

1/2 cup vinegar

2 tbsps. salt

2 tbsps. ground cinnamon

1 tbsps. nutmeg

2 chopped apples

1 tbsps. ground cloves.

Slice the tomatoes thin, or put them through a food chopper, allow to drain, cover with cold water, place over the fire, and boil

for five minutes. Drain well, add suet, vinegar, fruit and seasonings, return to the fire, and allow to simmer for thirty to forty-five minutes. Pack while hot, and process as for preserves.

FRUIT JUICE

After washing the fruit, crush while heating it. Fruit juice will flow readily when the fruit is heated, but the pulp should not be allowed to boil. When the pulp is thoroughly soft, strain through double cheese cloth, or any thin cloth and squeeze as much juice through as possible, then strain the juice through a flannel cloth without squeezing. Heat the juice until it is very hot, but not boiling; skim, strain into sterilized bottles, place the corks in loosely, place the bottles on a rack in a water bath, and process for 23 minutes at a temperature just below boiling. Press the cork in tight, dip the top of the bottle into sealing wax and store in a dark dry place. Grapes, blackberries, dewberries, strawberries and aganita berries, make good fruit juices.

Printing, like most commodities, is subject to a variety of qualities dependent upon what you wish to pay.

Formerly, many buyers too often felt that the low bid was the right price. This company is glad to note that a distinctly different trend is manifesting itself. "You get what you pay for" demonstrates its truth. Buyers no ware beginning to look askance at a low price.

It is not how many booklets per dollar, but how many dollars you get per booklet that sets its value.

Story Told About Promotion of Museum

Now it can be told—how the people of the Panhandle could not be defeated and so raised \$25,000 for the building of the Panhandle-Plains Historical Society Museum at a time when there was no money in the country.

"I declare, it is wonderful the way people have done," said L. F. Sheffy, Field Secretary for the Society. "The contributions for this building have ranged from one cent to \$1,000, only one sum greater than this having been received."

School children gave up the candy and chewing gum which their tiny allowances would buy; pioneers who could not bear to see the priceless possessions of north-west Texas carried away from the region borrowed money to pay their pledges; business men, whose private affairs were enough to keep them awake at night, made the effort which was necessary to help in this community cause; women made the dollars which will be walls for Pioneer Hall by toiling in kitchens; laborers gave of their scant wages. College students erased banquets from their social calendar and gave the money.

Everywhere the idea of a Museum for the Panhandle caught the imagination of young and old. Small boys have looked with shining eyes at the buffalo head and the Indian bows and arrows which belonged to Quannah Parker's men and have said "I am helping build the Museum for these things."

When the cause seemed lost the Ex-students of the West Texas State Teachers College came to the rescue of the Society. They had a fund of more than \$6,000 which they had hoped eventually to build a cooperative home for girls, honoring Miss Mary E. Hudspeth, first Dean of Women of the College. This money they transferred to the Historical Society, and this assured the success of the drive for funds.

Regents Approve Plans.

On August eighth there was a notable occasion in Canyon, when the directors of the Historical Society and the State Board of Teachers College Regents gathered to see the plans for the building, and when the Board of Regents, acting for the State of Texas, approved and accepted the plans for the building.

Around the table at this time were those who had worked most tirelessly to bring the fulfillment of the dream. They were T. D. Hobart of Pampa, for four years the Society's president; Judge J. D. Hamlin, of Farwell; Mrs. Olive K. Dixon, of Horace M. Russell and Mr. and Mrs. W. T. Coble of Amarillo; R. P. Smyth of Plainview; H. E. Hoover of Canadian; J. A. Hill, and L. P. Sheffy of Canyon; J. Everts Haley of Austin. Representing the State of Texas were A. B. Mayhew, Uvalde; Judge J. W. Fitzgerald, Tyler; and Will Z. Hayes of Dallas.

The building as planned will be 150 feet long and 50 feet wide. The central portion of the main floor will be "Pioneer Hall," and these words will appear immediately inside the entrance; at the ends will be two rooms, one to be known as "Mary E. Hudspeth Room," the other as the Art Room.

The full basement will contain

work rooms and additional exhibit space.

The exterior of the building will suggest its origin and use. The entrance will show 48 cattle brands of the region, done in terra cotta; the decorations of the interior will include figures indigenous to the country, such as the coyote, jack rabbit, buffalo, and prairie dog, while the trim around the top will suggest the yucca.

It is hoped that this building will be completed by next April, when the Historical Society will hold its regular annual meeting.

That will be a great occasion, and the pioneers from every section of the Panhandle will be honored guests; it will be their day, when they will meet to see the building which will have been raised in their honor and by the efforts of their children.

Here the childhood and youth of the future will see the greatest collection of branding irons in the world and will learn how these strange instruments marked a man's roving property when the era of barbed wire had not begun.

Here students will pore over records of ranch transactions, or the building of homes, or beginnings of schools and government, and will again, through these, live the days of toil and sunshine and shadow which made life for the pioneers whose pictures upon the walls will give character to the building.

And scholars coming from far lands will say "Here is a center of Southwestern culture, unlike any other in the world."

But the members of the Historical Society will know that this brick and stone is the materialization of a dream to honor mothers and fathers who have builded well the foundations of a region potentially rich in high citizenry and material wealth and artistic achievement.

Jim Ferguson Abuses Those Opposing Him

To the News:

James E. Ferguson started his and his wife's campaign with a promise not to "sling mud." In a way he has made good by using something of less repute than mud.

On page one, column one in the Ferguson Forum July the 7th we find him saying in an editorial headline, "The Sterling Campaign." "They don't know their father's names and their mothers are slack of virtue." Several years ago Jim said editorially, "The Democratic party did not have the sense of a jackass or the decency of skunks." If Mr. Ferguson can find a few more thousand voting witnesses to testify to the assinine instinct of the Democratic party his election is sure. In that event it will not be necessary for him to use all the cuss words in the English language to condemn the only party that ever elevated him to office.

has issued only 15 pardons, but has given furloughs and paroles to 1400. Only 40 of these have violated the parole and been returned to prison.

Through careful buying the state has saved \$765,000 in the eleemosynary institutions since the first of January.

The governor stated that he was glad to approve the museum building for W. T., the only building he allowed to stand in the appropriations bill, owing to the wonderful spirit shown by the people in matching the state's money.

He expects to call a special session of the legislature for Sept. 5th to pass a bill to care for the highway bonds. Jim Ferguson announces he would stop all road work in Texas, throwing out of work at least 30,000 people, who with their dependents would add 150,000 to the unemployed of the state. The Ferguson program of dividing the gasoline tax would not relieve the poor man from his taxes.

In conclusion the Governor stated that it mattered not whether a man was rich or poor, it was the account which he gave of himself toward his fellowman that counted his standing in the state and recorded his worth to humanity.

GOOD

A Congressional investigation of government competition with private business has received the approval of the House Rules Committee. College Farm

(Continued from first page)

3. The farm supplies a bond between the college and the patrons. Most of the boys are from the farms and go back to the farm. The plant assisted to solve the dairy problems when this section was passing from the beef herds to the dairy farms.

4. It provides a place for student employment. 38 boys have been carefully selected who have lived at the farm the past year. They must be mature, of good habits, and if possible picked for skill shown. They must have at least \$100 in cash available for the 9 months. They must pass all their grades. As to the regulations at the farm, Mr. Moore stated that the group was self-governing. A house master has charge of each home on the farm. Four experienced boys supervise the various kinds of work. Close personal supervision, with written reports and monthly conferences keep the work going. The boys are divided into four groups so that someone is at work in half day periods all of the time. The group is very loyal to the institution, and infractions of the rules are quickly punished by the leaders. The T-Anchor Club is one of the leading organizations in the College. As an index to the popularity of the farm, Mr. Moore pointed to 88 applications which he had received so far for places beginning with the fall term.
